SUBJECT: Meeting with [REDACTED] PPB

25X1A9a

7. In the course of his work on the Task Force [REDACTED] spent two days at GSA. At that time he was given some examples of costing construction projects. He turned this material over to me for the use of the BPS. Included with a few project examples is an "economic cost model" which indicates the manner in which submissions of this type are desired by GSA.
